Subject: Checking In: Technical Notes for POPRC Proposed Listing

Hi Tala,
Laura let me know she's going to be drafting the EPA position on the proposed listing for Dechlorane Plus, and wanted to see if there were any technical notes to be incorporated. I know you mentioned that the proposal had several issues, but I wasn't sure if you had a chance to make comments anywhere. If we can get comments to Laura soon, she'll be able to incorporate ahead of the POPRC meeting next month.

Thanks,

Stephanie Griffin
